

Dr. B.R. Ambedkar State Institute of Medical Sciences

AIMS, Mohali

General information and Rules regarding Interschool Quiz competition to Celebrate World DNA Day on 25th April 2023

1. All higher secondary schools (up to class 12) both govt and private are eligible for participation
2. Only Students of Class 9-12 are eligible to participate.
3. There will be one team of 3 students from every school
4. In case the number of students willing to participate are more than 3, the school may nominate or hold a screening test to choose the final list of 3 students.
5. Registration fees per school will be Rs 600 (i.e 200 per student) for private school.
6. The school will send the list of three students (without late fee) to the organizers by **April 15th 2023**. Late fee of Rs 300 shall be applicable thereafter. The registrations shall close on 20th April 2023.
7. Google form for registration has to be submitted by the school along with payment details as applicable.
<https://forms.gle/fVKEgQMavex35Kq58>
8. There are no charges for govt schools but registration is mandatory.
9. Teachers are encouraged to accompany the students.
10. There will be preliminary MCQ quiz team wise at 9 am
11. Best performing 4 teams will participate in the live quiz (including visual, rapid fire round etc.) at 11.30 am
12. The preliminary MCQ quiz will include questions related to DNA, Heredity, Genetics from the existing NCERT text books of Class IX, X, XI & XII
13. In addition to the above NCERT resource, the final live quiz can however include questions related to the history of DNA, educational resources available on the website of National Human Genome Research Institute (NHGRI), CDC website etc.
14. Participation certificates will be given to all the students.
15. The Department of Biochemistry at AIMS Mohali will be the Nodal department for the organization of the DNA Day Celebrations. The decision of the Scientific committee will be final.
16. There is no provision of any reimbursement (TA / DA). The parents / Guardians/ teachers will be responsible for dropping off and picking up the students.
